In 1885 THE INTER OCEAN enters upon the fourteepth year of its existence. Given unusual confidence by the people in its early days it las steadily grown in favor until this day, when the publishers take pride in the fact that the paper goes into more homes and has a greater number New York, Te nuary 5.— Jamage cone by of readers than any publication west of the Ale-

From the beginning THE INTER OCEAR 288 Stood firmly by the principles of the lepub can party, and has, in season and out of season, contended for "protection to American industry." It coes not agree with the idea that the mission of the Republican party is finished; on the contrary t Desieves that, purified by adversity, it was is the coubly so now that the Democracy control the National Government.

THE INTER OCEAN WILL IN the future asin the past be the medium through which the best Republican thought will be given to the 2002 e. It will voice the convictions of adwill be avgressively Republican without being litterly partisan, and will give as much attention to the affairs of Cleveland's administration as it would have given to the administration of Mr. Blaine had se been elected. With an Associated Press franchise, with special wires reaching to New York and Washington, with special correspondence in a 1 important points of the country.
